

Be Grateful

Be grateful
For what you get
For what you have
In whatever shape,

form or state you receive it
It's not what you wanted?
Was your request imprecise?
Did you know precisely what
Did you ask for?

Be grateful. Hell, no!
I asked for the best
I got mediocrity
It's a matter of principle
You get what you ask for
Don't settle for less

A BMW ain't a Morris Minor
Maybe not. If a car won't go
A car won't go; regardless of the abuse
Regardless of the brand
Regardless of the price tag

Be grateful
For what you get
If it's functional
It's functional
If it works
It works

Be thankful
For small mercies
They're Better
Than Nothing
