

Many of the greatest crimes in history were caused not by hatred, but rather by indifference. They were caused by people who could have done something, but did not even bother lifting a finger. So don't wait. Get out there. Go and vote.

Yuval Noah Harari

Yuval Noah Harari is an Israeli public intellectual, historian and professor in the Department of History at the Hebrew University of Jerusalem. He is the author of the popular science bestsellers *Sapiens: A Brief History of Humankind*, *Homo Deus: A Brief History of Tomorrow*, and *21 Lessons for the 21st Century*. His writings examine free will, consciousness, intelligence, happiness, and suffering.
