## THE THOUGHTS OF MARGARET THATCHER

“Europe will never be like America. Europe is a product of history. America is a product of philosophy.”

“I love argument, I love debate, I don't expect anyone just to sit there and agree with me, that's not their job.”

“Any woman who understands the problems of running a home will be nearer to understanding the problems of running a country.”

“Peace is hard work and we must not allow people to forget it.”
