

QUOTE OF THE WEEK

TIME

"Whatever begins, also ends." ~

Seneca the Younger

And the voices in the waves are always whispering to Florence, in their ceaseless murmuring, of love - of love, eternal and illimitable, not bounded by the confines of this world, or by the end of time, but ranging still, beyond the sea, beyond the sky, to the invisible country far away!

Charles Dickens

Before the end of Time will be the end of History. Before the end of History will be the end of Art.

Georg Wilhelm Friedrich Hegel

God knows when the end of time will come, not some fanatic... The world will end someday, but the end of the world and the end of time are two different things.

Dolly Parton

THE TECHNIQUES OF the Art of Peace are neither fast nor slow, nor are they inside or outside. They transcend time and space.

Morihei Ueshiba

The friend of time doesn't spend all day saying: 'I haven't got time.' He doesn't fight with time. He accepts it and cherishes it.

Jean Vanier

A Time for Everything

3

There is a time for everything,
and a season for every activity under the heavens:

2

a time to be born and a time to die,
a time to plant and a time to uproot,

3

a time to kill and a time to heal,
a time to tear down and a time to build,

4

a time to weep and a time to laugh,

a time to mourn and a time to dance,

5

a time to scatter stones and a time to gather them,
a time to embrace and a time to refrain from embracing,

6

a time to search and a time to give up,
a time to keep and a time to throw away,

7

a time to tear and a time to mend,
a time to be silent and a time to speak,

8

a time to love and a time to hate,
a time for war and a time for peace.

Ecclesiastes 3. 1-8
